Can you help?

Our members serving as facilitators or committee members are all volunteers. No one is paid for the work they do and we are always keen to hear from anyone with skills in any of the many digital technologies who would be happy to help guide other members or wish to assist SeniorNet in any other capacity.

Member's input

We welcome ideas and suggestions from our membership. Also, ask us if you have a specific need and we may be able to find the support you require

...and yet more

What else do you get for your SeniorNet membership?

- Monthly Members Day-with a Guest Speaker
- Monthly newsletter with helpful information
- Purchasing discounts from our sponsors.
- membership of the NZ SeniorNet federation

Please come and join us

- If you want to know more about digital technology.
- If you want to enjoy the many benefits of this digital technology.
- If you want to keep up with the grand kids.
- If you want to have fun.

We would love to have you as a new member.

Workshops

SeniorNet Workshops are a single 2-hour session. e.g.:

- Cloud Computing with OneDrive, Dropbox or Google Drive
- Internet Banking
- Facebook
- Google Gmail

Interest groups

Interest groups are monthly informal meetings, sharing ideas and what's new. We have groups for:

- iPad,
- Android,
- Genealogy,
- Digital photography

Regular technology talks

Regular Technology talks, like our Lightbulb Lecture series, give a simple overview of aspects of technology and the internet .e.g.:

- YouTube
- Travel planning
- Travel tools and tips
- Streaming TV
- Radio and Podcasts

Personal technical help

One on one assistance with problems or questions relating to digital technology

Helping you with technology for use in your everyday life

SeniorNet is a community training network that supports and motivates people to enjoy and use technology in their everyday lives. Join in the fun and learn how to do everything from simple word-processing to sending emails and searching the internet. In a friendly and stress-free environment, you'll gain the skills and confidence you need to get the most out of information technology.

Our Learning

SeniorNet Learning covers everything from the classroom environment (course and workshops) through to informal discussion groups (Interest groups and talks). All learning sessions are dependent on demand and the availability of facilitators.

Courses

SeniorNet Courses are run weekly in 2-hour sessions for 4-6 weeks. e.g.:

- Introduction to iPads
- Introduction to Windows 10
- Genealogy and your family history
- Intro to Android Tablets and Phones
- Gmail, Contacts and Calendar
- Google Drive, Docs and Sheets

Learn the basics

*Keep in touch with family
and friends*

Search the Internet

Stay safe on the Internet
