Helping you with technology for use in your everyday life

Seniornet is a community training network that supports and motivates people to enjoy and use technology in their everyday lives. Join in the fun and learn how to do everything from simple word processing to sending emails and searching the internet. In a friendly and stress-free environment, you'll gain the skills and confidence you need to get the most out of information technology.

Our Learning

Seniornet Learning offers a variety of educational opportunities, from structured workshops to more casual discussions. Our interest groups and talks cater to diverse interests, while our workshops provide a hands-on learning experience. All our sessions are subject to availability and demand.

Workshops

Seniornet Workshops are a single 2-hour session. e.g.:

- Cloud Computing with OneDrive, Dropbox or Google Drive
- Using your Smartphone
- Internet Banking
- Google Gmail
- Staying safe online

Personal technical help

Need help with your devices? Our one-on-one sessions can assist you with:

- Laptops: Troubleshooting and problem-solving
- Android Tablets & Phones: Introduction and usage
- iPads: Getting started and exploring features
- Windows: Fundamentals and basic operations
- Google Tools: Gmail, Contacts, Calendar, Drive, Docs, and Sheets

Interest groups

Interest groups are monthly informal meetings, sharing ideas and what's new. We have groups for:

- Android, iPhones & iPad
- Word processing
- Memoirs
- Digital photography

Regular technology talks

Like our Lightbulb Lecture series, regular technology talks give a simple overview of aspects of technology and the internet. e.g.:

- YouTube
- Your online security
- Travel tools and tips
- Streaming TV
- Radio and Podcasts

Member's input

We welcome ideas and suggestions from our membership. Also, ask us if you have a specific need and we may be able to find the support you require.

...and yet more

What else do you get for your Seniornet membership?

- Monthly Members Day - with a Guest Speaker from time to time
- Regular email communication
- Purchasing discounts from our sponsors.
- Membership of the NZ Seniornet Federation

Please come and join us

- If you want to know more about digital technology.
- If you want to enjoy the many benefits of this digital technology.
- If you want to keep up with the grandkids.
- If you want to have fun.

We would love to have you as a new member.

We need your help?

All our facilitators and committee members are dedicated volunteers. No one is paid for their work. We're always on the lookout for individuals with expertise in digital technologies who are passionate about sharing their knowledge and helping others. Whether you're interested in guiding fellow members or contributing to Seniornet in another way, we'd love to hear from you.
